

# F.A.Q.

## Where can my child participate in Soccer Shots?

Soccer Shots is held at childcare centers, schools, and public locations throughout the greater Miami Valley area. Our public programs are open to the general public. However, only children enrolled in a specific childcare center or school can join programs held at our childcare locations. If you're interested in bringing our program to your child's facility, contact us!

## What type of equipment will my child need to participate?

Soccer Shots provides all the equipment needed at each session. Just make sure your child wears sneakers and comfortable clothing. Cleats and shin guards are NOT necessary.

## Can I have Soccer Shots start a park program near me or at my child's school?

Yes! We are always willing to launch new park programs. At a park or community location, you can make this happen by forming a group of 6 children willing to participate in Soccer Shots. To help facilitate bringing Soccer Shots to your child's school, please contact us to see how we can work together towards this goal. You will receive a FREE season for your child to participate as a thank you.

## What experience does Soccer Shots have teaching children this age?

Soccer Shots has been serving children and families for 5 years in the Miami Valley. We are a part of a larger franchise system that has impacted over 200,000 children in over 140 cities in the United States. Our goal is to cultivate a love for soccer and fitness. We are firm believers that in each session a child is capable of learning something new about soccer and life while having fun!

## What can I expect from a Soccer Shots session?

Soccer Shots sessions are energy filled and involve skill development, character words, and fun! Our weekly sessions are built upon a specific theme. The coaches take great pride in teaching your child new soccer skills while having lots of FUN!

## What happens if a session is cancelled due to inclement weather?

During the course of the season, Soccer Shots attempts to make up all missed sessions. At our childcare centers, we coordinate with the school and try to makeup during that same week. For our public programs, we will add a session on to the end, add 15 minutes to 2 sessions or use the designated makeup dates noted when you register.

## How do I know if a session is cancelled due to inclement weather?

'Like' our [Facebook](#) page! We attempt to make the decision several hours prior to the session. An email will be sent to parents. Please check our website or Facebook page for the most up-to-date information.
